### WAIVER AND RELEASE OF LIABILITY

CrossFit 1490

#### EXPRESS ASSUMPTION OF RISK:

I, the undersigned, am aware that there are significant risks involved in any physical training regimen. These risks include, but are not limited to: falls which can result in serious injury or death, injury or death due to negligence on the part of myself, my training partner, or other people around me, injury or death due to improper use or failure of equipment. Injury may also result simply from the fact of physical training itself. By its very nature, physical training seeks to have me push beyond my current physical limits in order to produce a physical adaptation by my body. This requires feedback from me to my trainer regarding what is happening with my body. Excessive work can result (in rare cases) in rhabdomyolysis. I should look for signs of excessive soreness, darkened urine, and pain in the kidney areas in the days following a particularly intense workout. I am aware that any of these above mentioned risks may result in serious injury or death to myself and or my partner(s). I willingly assume full responsibility for the risks that I am exposing myself to and accept full responsibility for any injury or death that may result from participation in the workouts programmed by CrossFit 1490, regardless of the location or conditions under which I perform the workouts. I, the undersigned acknowledge that I have no physical impairments or illnesses that will endanger myself or others.

This agreement shall be binding upon me, my successors, representatives, heirs, executors, assigns, or transferees. If any portion of this agreement is held invalid, I agree that the remainder of the agreement shall remain in full legal force and effect. If I am signing on behalf of a minor child, I also give full permission for any person connected with CrossFit 1490 to administer first aid deemed necessary, and in case of serious illness or injury, I give permission to call for medical and or surgical care for the child and to transport the child to a medical facility deemed necessary for the well being of the child.
