2. CrossFit & Group Exercise Classes & Open Gym Usage

- 2.1 The Gym offers group exercise classes, involving CrossFit, metabolic conditioning, strength training, and personal coaching, as well as open gym hours and activities with no personal coaching or group coaching. As with any physical activity, these Classes and activities can be extremely difficult, strenuous and sometimes dangerous. Understanding this, I have consulted with a doctor and wish to participate in such activities. If I am ever in doubt about the status of my health, I agree to immediately consult with my doctor before continuing with Gym Usage.
- 2.2 I warrant and represent that I (and/or the minor on behalf of who I am signing this Agreement) have no disability, impairment or ailment preventing me from engaging in exercise or a physical activity that will be detrimental to my health, safety or physical condition.

Such damage or injury includes without limitation: injuries arising from use by me, or by others, of exercise equipment and machines; injuries arising from or by Participants or others in supervised or unsupervised activities, programs or classes, throughout the Gym; injuries and medical disorders arising from exercising at the Gym such as heart attacks, strokes, heat stress, sprains, broken bones, Rhabdomyolysis, back injury, and torn muscles and ligaments, among others, and accidental injuries occurring anywhere in the Gym including (without limitation), locker/dressing rooms, showers, bathrooms, utility closets, storage rooms, walkways, and the parking lot.

5. Assumption of Risk

5.1 I am aware that there are significant risks involved in all aspects of physical training. These risks include, but are not limited to: falls, injury from the negligence of myself, my training partner, or other people around me; injury or death due to improper use or failure of equipment; and bone breaks, strains and sprains.

5.2 I am aware that any of these above mentioned risks may result in serious injury or death to myself. I willingly assume full responsibility for the risks that I am exposing myself to and accept full responsibility for any injury or death that may result from participation in any activity of Gym Usage, or under the direction of Owner, its staff, instructors, or volunteers.

5.3 I assume all of the risks associated with participating in Gym Usage including risks to my minor child (if any).

6. Rhabdomyolysis ("Rhabdo") Advisement

6.1 Rhabdomyolysis (referred to as "Rhabdo") is the destruction or breakdown of muscle tissue that leads to the release of muscle fiber contents into the bloodstream. Although rare, Rhabdo is a very serious condition and something to be aware of as I participate in Gym Usage. Part of what makes Rhabdo so serious is that it impairs kidney function, making the kidneys unable to properly filter the blood. This can lead to complications

such as kidney failure or compartment syndrome, and in rare cases, death. However, early recognition of Rhabdo symptoms and receiving prompt treatment can prevent permanent damage or disability.

6.2 Rhabdo can be caused by many things such as severe trauma, burns, heatstroke, seizures, metabolic derangements, viral infections, alcohol, drug use, statin medications, genetic defects of lipid and carbohydrate metabolism, and, of particular concern in the CrossFit community, intense exertion, known as exertional rhabdomyolysis.

6.3 Exertional Rhabdo can occur in athletes of all levels of fitness, from beginner to the most advanced competitive athlete.

6.4 The symptoms of Rhabdo can include swelling of the affected body part, either with or without pain, stiffness, weakness, darkening of the urine (to the color of tea or cola), decreased urine output, and an altered mental status. Symptoms can take a few days to show up after the exertion causing it. For instance, exertional rhabdo caused on a Monday, may not produce symptoms out of the ordinary until Wednesday.

6.5 I understand that if I have any concerns as to whether I am experiencing symptoms of Rhabdo, I should immediately go to a hospital. I acknowledge that I am the best person to determine if any symptoms are presenting, and it is my responsibility to be continually aware of my body and any unusual changes. I agree to monitor myself, and to listen to my body.

6.6 I understand that there is a wealth of medical information regarding Rhabdo on the Gym's website, the Internet and from my doctor. I have been encouraged to further familiarize myself with Rhabdo so I may be in the best position to avoid triggering it, and recognizing its early onset if I did.

7. Indemnification

7.1 I recognize that there are serious risks involved in the types of activities offered by Owner and the Gym. I accept financial responsibility for any injury, loss, or damage that I may cause either to myself or to any other person. Should Owner incur attorney's fees or legal costs to enforce this Agreement, I agree to reimburse it for such fees and costs.

7.2 I agree to release, indemnify and hold harmless the Gym, Owner, its principals, employees, independent contractors, volunteers, and agents from any and all actions, claims, liabilities, expenses (including attorney fees/costs) and damages from any injury, loss, damage or death caused to me, my child, or my property whether by negligence, intentional act, omission, breach of contract or in any other way.

8. Photo & Video Release

8.1 Participants involved in any activities offered by Owner and the Gym may be photographed or videotaped during Gym Usage. The undersigned hereby consents to the use of these photographs and/or videos without compensation, on the Gym's website, social media pages, or in any editorial, promotional or advertising material produced and/or published by the Gym or Owner. I am also signing on behalf of my minor children (if any).

9. 24-Hour Access

9.1 I am aware that if I have a membership option at CrossFit Coveted that gives me 24-Hour Access to the gym, there will be times I will have access to the gym that are non-staffed. By signing this waiver I acknowledge and understand that non-staffed hours means there will be times when there will be NO SUPERVISION, NO STAFF and NO ASSISTANCE available to me. I understand that if I am injured, become unconscious, suffer a stroke or heart attack or other medical or non-medical emergency, there will be NO RESPONSE from CrossFit Coveted.

Initial here:

9.2 I acknowledge and understand that CrossFit Coveted recommends that I have a workout partner with me during non-staffed hours.

9.3 I agree to always wear the emergency response device provided by CrossFit Coveted and to have my cell phone with me at all times during non-staffed hours.

9.4 I agree to always perform a comprehensive warm-up and to limit all movements to 75% of max load and effort during non-staffed hours.

9.5 I agree to always use safety equipment such as safety bars, racks and mats during non-staffed hours.

9.6 I agree that I will not perform new or unfamiliar movements or exercises during non-staffed hours.

9.7 I agree to clean and replace equipment after use.

9.8 I agree not to prop open any doors, leave the gym unsecured, or allow anyone entry during non-staffed hours.
