It is intended to be, and is, legally binding. If any aspect of this Waiver Agreement requires clarification, please have an owner, manager, or coach fully explain it before signing. By signing the Waiver Agreement, you are agreeing to all terms set forth in this Waiver Agreement. You and/or the person on whose behalf you are signing, are waiving the right to bring any type of action, whether in court or otherwise, to recover compensation or obtain any other remedy for any personal injuries, damages to property, any accident or incident of any type, or death, arising out of or related to your use of facilities, grounds, climbing walls, exercise areas, classes, equipment, massage services, whether the use is supervised or unsupervised. While Blue Eagle offers activities in a controlled environment, there is still an assumed risk of injury to persons. In agreeing to this Waiver Agreement, I hereby acknowledge, understand, and agree on my behalf, and upon behalf of the person for whom I am signing, that the use of Blue Eagle, its facilities, equipment, barbell rig, classes and/or participating in activities sponsored by Blue Eagle even outside their business location has inherent risks. These risks include, but are not limited to, any injury or damage resulting from the following:

- Falling off or impacting against the bars, impact surface, floors, boxes, ladders, or anything else;
- Trip hazards from uneven surfaces or equipment, whether that equipment is supervised or unsupervised;
- Rope abrasion, entanglement, or other activities occurring on the premises;
- Cuts or abrasions resulting from any cause whatsoever;
- Failure of the equipment, whether inside or outside;
- Failure of coaches, supervisors, or other participants, to control or supervise their equipment;
- Personal health problems, whether mental or physical;
- Negligence or illness of other participants, visitors, or observers or persons who may be present in or around the exercise area or facility; and/or
- Negligence, illness, or lack of adequate training of any person(s) who seek to assist with medical or other help either before or after any injury or damage may
 occur.

In consideration of being allowed to participate in the activities and programs of Blue Eagle and to use its facilities, equipment, and machinery in addition to the payment of any fee or charge, I, for myself, my heirs and assigns, hereby waive, release, and forever discharge Blue Eagle, and their officers, agents, employees, representatives, executors and all others from any and all, responsibilities or liability from injuries or damages resulting from my participation in any activities or my use of equipment, barbells, dumbbells, boxes, ropes, or machinery in the above-mentioned activities. I do hereby release all of those mentioned and any others acting upon their behalf from any responsibility or liability for any injury or damage to myself, including those caused by the negligent act or omission of any of those mentioned or others acting on their behalf or in any way arising out of or connected with my participation in any activities or the use of any equipment at Blue Eagle.

I understand and am aware that exercise and fitness activities, including but not limited to running, jumping, lifting, pressing, and climbing, including the use of the equipment, are all potentially hazardous activities. I also understand that exercise and fitness activities involve a risk of injury or even death, and I am voluntarily participating in these activities and using equipment with knowledge of the dangers involved. I do hereby expressly assume and accept any and all risks of injury or death.

I do hereby declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity, or other illness that would prevent my participation or use of equipment, barbells, dumbbells, ropes, or machinery except as herein stated. I acknowledge I have either had a physical examination and been given my physician's permission to participate, or I have decided to participate, in the activities of exercise, fitness, massage, and nutrition, and the use of the equipment, barbells, dumbbells, kettlebells, ropes, boxes, ladders, or machinery, without the approval of my physician and do hereby assume all responsibility for my participation and activities and utilization of equipment and machinery in my activities.

Equipment

I agree to inspect before use all equipment offered for use at Blue Eagle, including without limitation, exercise and fitness equipment and apparatus or other

equipment (the "Equipment") and to ask questions of the Blue Eagle personnel and/or instructors if I do not fully understand how to use the Equipment. I warrant that information provided to Blue Eagle personnel will be accurate and complete. If I am under the age of 18, my parent or guardian being at least 18 years old and agreeing to this Agreement on my behalf ("Adult"), understands that he/she may not be available or present when my Equipment is provided, fitted or adjusted and hereby waives the opportunity to inspect the use and fitting of the Equipment and authorizes Blue Eagle personnel to oversee the use and fitting of the Equipment. I understand that, although I may be wearing protective or support gear, as applicable, such gear cannot guarantee my safety or protect the wearer against all potential injuries or prevent all injuries. I accept for use "AS IS" any Equipment used at Blue Eagle and agree to identify or return either before use or promptly after discovery for replacement or repair any Equipment that I believe may be damaged or defective in any way. If I am under the age of 18, Adult accepts full responsibility for the care of the Equipment and agrees that Adult will be responsible for the replacement at full retail value of any Equipment damaged or not returned.

Rhabdomyolysis

In consideration for continued access to the training facility identified herein as Blue Eagle, I hereby acknowledge the significant risks associated with the physical training and programming at this facility. I acknowledge and attest to having fully and carefully read and reviewed this Waiver Agreement, including all subparagraphs prior to engaging in any physical activity at this facility.

Rhabdomyolysis ("Rhabdo") can occur when an individual's physical activity is so intense that muscular cells begin to breakdown and the contents and/or remaining materials enter the bloodstream. Rhabdo may be caused by many other systemic or environmental causes. However, exertional Rhabdo can occur in athletes of all levels of fitness, resulting in muscle cell destruction. The skeletal muscle breakdown impairs kidney function as those organs are unable to handle increased enzymes that are released into the bloodstream. This induces severe physiological changes in the body. The symptoms of Rhabdo include muscle pain, stiffness and extreme weakness, darkening of the urine similar to the color of tea or cola, decreased urine output, altered mental status, swelling of the body part involved, either with or without pain. A Rhabdo symptom is pain out of proportion to the amount of soreness that one would generally expect, often producing pain much quicker than one would expect after a workout.

I understand that any concerns on my part that I am experiencing any of the symptoms of Rhabdo require immediate presentation to a hospital for emergency treatment. I acknowledge that no third party, either from the facility or otherwise, will be capable of monitoring my urine output or color, and it is my responsibility to be continually cognizant of this symptom and all other symptoms and to monitor them in my own body at all times. I agree that I will remove myself from participation and seek medical treatment of my own accord should I have any concerns regarding possible symptoms of Rhabdo. I understand that statistically, individuals most likely to experience Rhabdo are those who are in good shape by general standards or who were previously in good physical shape. This includes individuals who were competitive athletes. I acknowledge that often the more mentally tough an athlete is and the more athletic they were in the past or currently are, the greater the risk of exposure to Rhabdo.

I agree to monitor myself in a manner that is proportionate to the potential injury that can be occasioned by this condition. I acknowledge and understand that I am the only individual capable of determining if I am experiencing Rhabdo symptoms. I hereby agree and do willingly assume responsibility for any risks that I expose myself to and accept full responsibility for any injury or death that may result from participating in this significantly demanding physical activity. There is a wealth of medical and popular information regarding Rhabdo. It is strongly recommended that you review and evaluate information from all sources available to you, including your physician, prior to executing this Waiver Agreement or participating in strenuous physical activity.

Infectious Disease

I understand that despite all the precautions I, other members, and Blue Eagle may take, there is no guarantee of my health or safety, and I may still be exposed to infectious disease, including but not limited to flu, COVID-19, etc., including through interactions with other individuals. By executing this release and gaining access to the facility or workout area that may be offsite, I, on behalf of myself, my heirs, beneficiaries, representatives, successors and assigns: (1) voluntarily assume all risks associated with any exposure to infectious diseases, including, but not limited to suffering any type of medical condition, illness and, potentially, death; and (2) knowingly and voluntarily waive, release, covenant not to sue, forever discharge, indemnify, and hold harmless Blue Eagle, its parents and subsidiaries and their respective officers, directors, employees, contractors, agents, representatives, successors and assigns ("Released Parties") from any and all liability, damages, losses, suits, demands, causes of action to the fullest extent permitted by the laws of this state, or any other claims of any nature whatsoever, arising out of or relating in any way to my use of the facility and my potential exposure to infectious diseases.

I do hereby certify and represent the following statements will be true every time I participate in activities and programs of Blue Eagle and use its facilities: I will not have a temperature above 100.0 F, I will not have knowingly had close contact with anyone who has tested positive for an infectious illness, and I will not have had flu-like symptoms in the past twenty-four hours.
